DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This letter is being sent to correct an error found in the Examiner's Answer mailed February 2, 2008. The Applicant's "Response Date" cited on the cover page is incorrect and should be July 5, 2007.

Enclosed with this letter please find a copy of the Applicant's 1449 (IDS) form filed March 5, 2002. A review of the papers in the file of the instant application showed that the first Examiner of Record in the case failed to properly initial all cited references. The oversight has been corrected. All cited references were considered by the current Examiner prior to the issuance of the Final Rejection mailed October 5, 2005.
